is a certified active member in good standing of the
International Association of Amusement Parks and Attractions
and is entitled to all the rights and privileges
prescribed within the bylaws.

Andreas Andersen, Chairman of the Board

Paul Noland, President and CEO

International Association of Amusement Parks and Attractions

DUES. IAAPA membership is for a calendar year ending December 31. Dues are not prorated.

RENEWAL. Invoices for membership due to all members during the 4th quarter of each year. Dues invoices are payable January 1. Membership certificate and card are sent after full payment is received.

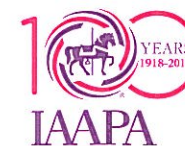

SUSPENSION. Members whose dues are not paid on time will be considered past due and suspended. Membership privileges will be reinstated during the remaining months of the year if the full payment is received.

Past due invoices for services rendered during suspension, even if membership dues have been paid. This includes past due advertising, sponsorship fees. Membership will be reinstated after payment of outstanding invoice(s).

TERMINATION. Members who have not paid dues are terminated on December 31. Membership continuity and seniority are not reinstated. Members can apply for a new membership.

For clarification on any of these terms or conditions, please contact the IAAPA Membership Department.
